Government issued permissive sanction to procure Digital Signature Certificate (DSC) to all DDOs and the expenditure for this is to be met from the office expense of the respective offices. But the procurement could not be completed due to certain technical reasons crept later and hence the matter has been taken up during the IFMS review meeting held on 04.01.2017 and decided to entrust M/s Keltron to furnish a proposal for the procurement of the DSCs and to impart training to all DDOs.

In view of the above decision, M/s Keltron has furnished a proposal at an estimated cost of Rs.585/- per unit of Class 2 sign with token, installation charges, training and support charges for 2 years, vide paper read third above.

Government have examined the matter in detail and are pleased to accord Administrative Sanction for the procurement of DSC to all DDOs in the State based on the proposal from M/s Keltron at a total estimated cost of Rs.1.55 crore (Rupees One Crore Fifty Five Lakh approximately) for approximate 26,500 DDOs (Rs.585x26500=1,55,02,500).

M/s Keltron is directed to furnish a detailed schedule of the proposed procurement, installation and training so that 60% of the cost as advance will be released as per the condition specified in the paper read third above.
