Finance (ITSF) Department

No. 57/2022/Fin.

Thiruvananthapuram
Dated : 11/07/2022.

CIRCULAR

Sub:- SPARK PMU – Software enabled to take arrears on account of retrospective promotions or grade etc in 10th PR rates - reg.

Government are pleased to inform that following software provisions have now been enabled in SPARK so that, if any retrospective change in 10th Pay Revision rate happens, such claims can be processed, accordingly.

The details of the provisions enabled are:

1. Salary claim during the 10th Pay Revision Arrears period, if not drawn, can be generated in the 10th Pay Revision rate itself for the entire Pay Revision arrears period. The provision for generating 10th Pay Revision Arrears will be disabled in such cases, if no installments of 10th Pay Revision arrears is already processed.

2. Presently, any salary arrears for the 10th Pay Revision period can be generated only after encashing the 10th Pay Revision arrears in four installments. If none of the arrears on account of 10th Pay revision is processed till date as mentioned in point 1 above, the same could be generated as salary arrears in the 10th Pay Revision Arrears rate.

3. If any employee's Terminal Surrender claim has not yet generated till date and with the same in 9th Pay Revision rate has also not drawn, then the Terminal Surrender in 10th Pay Revision rate can be generated.

All Heads of Department and Drawing and Disbursing Officers are hereby informed of the above provisions which are now available in SPARK.
