GOVERNMENT OF KERALA

Abstract

Fiscal Management Measures to Control Expenditure to Achieve Fiscal Consolidation - Orders Issued.

FINANCE (SS) DEPARTMENT

G.O. (P) No.442/2012/Fin.

Dated, Thiruvananthapuram, 08.08.2012.

ORDER

After the fiscal consolidation efforts have been put in place through monitorable fiscal indicators, many States including some of the backward ones have managed to achieve zero revenue deficits in compliance of their Fiscal Responsibility Legislations. But Kerala, apart from making some improvement in the revenue collection front, has achieved little in terms of its fiscal responsibility Legislation targets. Reduction in revenue deficit is eluding the State, affecting the much-needed space for capital expenditure for infrastructure-creation for facilitating conducive environment for industrialization and job creation. The State of Kerala has been classified as a highly debt stressed state, by the 13th Finance Commission.

2. In order to achieve fiscal consolidation in the State by way of balancing the Revenue Account and reducing high debt levels in consonance with the road map set out by the 13th Finance Commission, it is expedient that some measures are urgently put in place, to bring down administrative expenditure not affecting social sector spending.

3. Another concern that has escalated in the recent days is the deficient monsoon and falling storage level in the reservoirs causing a grim power situation.

4. Against this backdrop, the need for fiscal management to bring about financial control has been considered by the Government and accordingly Government order that the following measures aimed at improved fiscal discipline will be implemented in the State with immediate effect:

Administrative Measures

(i) Non-plan expenditure during the current year shall be limited to budget allocations.

(ii) Expenditure on travel, electricity, telephone and fuel for 2012-13 shall be limited to the level of previous years' budget estimates.

4896136/2021/SPARK , FIN

(iii) While conducting auction of confiscated vehicles, it shall be ensured that they are allotted to Government Departments and Institutions, as per requirement. No new vehicle shall be purchased except under unavoidable circumstances and as far as possible vehicles shall be engaged on contract basis. Old vehicles found to have excess fuel consumption shall be condemned. This will be applicable to all Government Departments and Public Sector Undertakings.

Resource Conservation Measures

(i) Special efforts shall be made by all Government Departments and Public Sector Undertakings to reduce electricity and water consumption.

(ii) Incandescent bulbs in Government offices shall be replaced with CFL/ Tube / LED lights.

(iii) Electric lights, appliances, etc. should be switched off every time officers leave their rooms. Electrical wiring may be done with master switch / sensor switch facility for each room to facilitate centralised control. Thermostat of room air conditioners shall not be set below 26° C to ensure efficiency in energy consumption.

(iv) Public Sector Undertaking and Autonomous Bodies shall not print diaries for the ensuing Calendar Year. If necessary, on submission of prior indent, Government will print and supply diaries and a suitable price shall be charged for them.

(v) No Working arrangement of staff shall be allowed except in Health and Family Welfare Department.

(vi) Bank deposits of Public Sector Undertakings should be deposited with Treasury Savings Bank only.

(vii) Higher energy consuming appliances, if any, may be replaced with energy - efficient appliances.

(viii) Water connections should be checked regularly to detect leakage, if any. All the faulty and leaking taps should be replaced urgently

(ix) Effective action shall be taken to prevent power theft and water theft by KSEB and KWA respectively.

(x) Fuel-efficient vehicles shall be selected for purchases in future. Mileage test of vehicles should be conducted at the appropriate time according to standing instructions.

(xi) Wastage of stationery shall be avoided. While taking copies of documents, letter etc., both sides of the paper shall be used as far as possible. Documents, which can be circulated through electronic means, shall not be printed. All Departments shall take care to discontinue the practice of printing unnecessary documents.
